2.1 INTRODUCTION

Welcome to the Consulting Roll out Planning Phase, which is Phase 160 of the Food & Beverage 180 portal. This phase concentrates on all the processes necessary to plan a full rollout for a customer, which includes multiple locations all driving from the same enterprise. Project Stakeholders on both the Oracle and the Customer side are involved in discussions surrounding roll out planning and scheduling. The Oracle Consulting Project Manager, along with the lead Implementations Consultants take the customer through this phase.
